G.O.No.6435 9/49)

Jails - Contract - 1945-46 - Jails and School at Bellary Supply of mutton, liver and cows milk - Petition for compensation.

p.3 c.f. From H. Server Sahib, petition dated nil.
pp 1 4 5 c.f. From the I.G. of Prisons, No. 669/A/3/46, dated 3/12.7.49 and 16.7.49.

Mr. H. Server Sahib undertook to supply mutton, liver and cows milk to the Jails and School at Bellary during 1945-46. The petitioner has submitted a petition for the payment of compensation in respect of his supply of the abovementioned articles during 1945-46.

2. The I.G. of Prisons has submitted compensation statements relating to the claim for compensation for loss incurred by the contractor mentioned above, prepared in accordance with the instructions issued in Memo. No. 13581 C/45-2, Home, d/23.5.45. He has also stated that the compensation statements were prepared on wholesale market rates furnished by the revenue authorities. In p. 2 on p.1 c.f. the I.G. of Prisons states that the contractor incurred

(1) a loss of Rs.672-15-2 in respect of his supply of mutton, liver and cow's milk to the C.J., Bellary;

(2) a loss of Rs.1,047-9-0 in respect of his supply of mutton and liver to Alipuram Jail, Bellary;

(3) a loss of Rs.1,994-5-0 in respect of his supply of mutton and liver to the Wellesley Sanatorium Jail, Bellary; and

(4) a loss of Rs.5,936-15-9 in respect of his supply of mutton and liver to the J.C. School, Bellary.

In G.O. Ms. No. 1945, Home, d/2.7.46, claims for compensation for the loss sustained by a contractor in respect of supplies made to jails and institutions during 1945-46 should be considered only for exceptional reasons and even then each case on its merits. In this case the market rate for mutton and liver at the time of auction was Re.1/- per lb. whereas the contract rate was 6 annas 5 pies per lb. The contractor has deliberately quoted lower rates for mutton and liver which could never have been adhered to without loss. In similar cases the application for payment of compensation were rejected. The contractor's claim for payment of compensation in respect of these two articles may be disallowed.

643.4M/4

3. The market rate of cow's milk at the time of auction was 6 pints per rupee and the contract rate of the same was 6 pints per rupee. The market rates of cow's milk during 1945-46 were as shown below:-

April, 1945	$5\frac{1}{3}$ pints per rupee
May, 1945	do.
June, 1945	do.
July, 1945	$4\frac{4}{7}$ pints per rupee
August, 1945	$5\frac{1}{3}$ pints per rupee
September '45 to December '45	do.
January, 1946	$5\frac{3}{25}$ pints per rupee
February, 1946	$4\frac{12}{13}$ pints per rupee
March, 1946	do.

The contractor is not eligible for any compensation in respect of his supplies to the C.J., Bellary during the months of April to June, August to December, '45 as the market rate of cow's milk during these months had not exceeded by 20% of the contract rate/ or the market at the time of auction according to the instruction issued in Home. No. 13691/C/45-2, Home, Dt 23-5-45. The contractor is eligible for payment of compensation only in respect of his supplies during the months of July '45, February and March 1946 as the market rate of cow's milk during these months exceeded by 20% of the contract rate, i.e., when the market rate ~~is~~ was more than 3 annas 2 pies per pint.

4. The net loss sustained by the contractor for his supplies of milk to the C.J., Bellary/ for the period mentioned at 'B' above amounts to Rs.256-14-2. The contractor may be paid Rs.256-14-2 for the loss sutained by him in respect of his supplies of cow's milk to the C.J., Bellary during the months of July 1945, February and March 1946.
